Sponsorship

Thank you for choosing to support the efforts of the Krewe of Apollo Baton Rouge. In addition to presenting our annual Mardi Gras Ball, the Krewe has been a funding source for HIV/AIDS services in the state for many years. In 1993, the Krewe established its AIDS/CRISIS FUND for the ongoing project. This fund helps those who are in financial need during sickness or other critical circumstances. A portion of the proceeds from our fundraising efforts each year is devoted to the fund. You will be given the opportunity elsewhere on this form to make specific donations to the AIDS/CRISIS FUND.
