PRESIDENTS' PERSPECTIVE.....

I hope this edition of the newsletter finds you well and enjoying the summer fun. Congratulations to our new King Apollo XXXI elect John Deshotel and Queen Apollo XXXI elect Corey Tullier. Best wishes in your journey. I know the both of you will represent the Krewe of Apollo with grace and dignity.

I am excited about the upcoming events that are planned. Apollo's Disco Prom Night will be held on July 16th at the Women's Club downtown. Be on the lookout for your tickets as this is going to be a blast from the past. Our August fundraiser is quickly approaching as well. Shirley Q. Liquor will be performing August 13 at the Baton Rouge Little Theater. A HUGE Shirley Q'Liquor Night is being planned. Please spread the word! With all the hard work being put into the planning of these events they are bound to be fantastic. Thanks to Chad Blanchard and Al Henry for the wonderful work on the Prom Night and Corey Tullier and Les Mut for the wonderful work on the Shirley Q. Liquor Night! We will also be planning a Turnabout on September 10th at the Cajun Cove. The Krewe of Apollo will be participating in the Baton Rouge Pride Festival on June 25th from noon-6pm at the Belle of Baton Rouge Atrium. Come out and support this fun event.

Now on a financial note.....this is just a reminder to everyone that one third (\$150.00) of the annual dues was due by the first Krewe meeting. This meeting was held on March 27th. The second installment is due by July 1st. If you have not made payments to your account please make every effort to do so. Your membership slot will be declared vacant after July 1st unless payment is made or specific arrangements are made with me and Les. Thank You to all the members that have taken care of this obligation. It is greatly appreciated.

Congratulations to the following members for being appointed to committees: Tim Rapier and Rick Hamilton to the Committee on AIDS/Crisis, Dennis Brewin to the Committee on Membership and Chad Fernandez to the Committee on Media and Public Relations. I also would like to send a special Thank You to all committee members. Your hard work is making a difference.

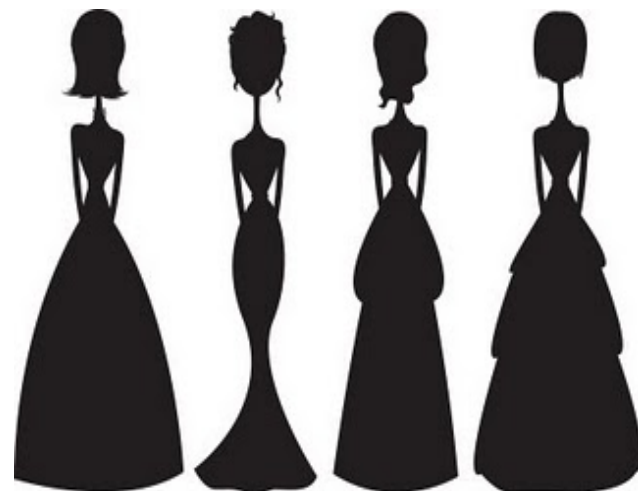

I look forward to seeing each of you at the June meeting. It will be held at 7:00pm on June 24th at the home of Chad Fernandez and Tim Rapier.

Best wishes and a joyful summer!

Dwayne

CAPTAINS' CORNER

Happy summer to everyone! A very special congratulations to John and Corey on their election as King and Queen Apollo XXXI. Be sure and mark your calendars for September 24th when they are officially announced at the LSU Faculty Club.

Our first major fundraiser is July 16th at the Woman's Clubhouse. Chad Blanchard and Al Henry are planning a spectacular DISCO PROM NIGHT. It can be the prom you never had with the love of your life... or your love of the evening. Volunteers are needed to ensure a successful event. Remember, volunteering for a fundraiser is a quick way to score points to ensure your preferred table assignment.

There are still a couple of costume concepts that have not been spoken for. We are definitely open to other disco themed concepts. Just talk to one of us and we will be glad to see where it leads.

Stephen is working on the music for the ball. Since costumes are closely tied to the music, the captains will be selecting primary music and providing options to the ball participant for additional music.

Letters were sent to last year's sponsors and commercial advertisers, but you are encouraged to reach out to your contacts and remind them that it is not too early to commit. Let potential sponsors know that the sooner they send in their check, the sooner they start receiving recognition of their support of the Krewe.

In the Spirit of Carnival,
Les and Stephen
