From the President:

Brothers,

I hope this message finds you well, getting back to work, and attending social activities as much as the current guidelines allow. COVID has touched us all and indelibly will leave a mark on Carnival Society for a time to come. In light of the uncertainty that this pandemic has posed and the potential it brings for lost deposits and revenues, some of our sister Apollo Krewes have already canceled their events into 2021. Your Apollo Baton Rouge board members have discussed these concerns and will continue to monitor the federal, state, and local guidelines and how they may impact our seasonal festivities later in 2020. At present, we have not canceled any fall events and are still looking forward to a Royalty Announcement Party on October 3, a Captain's Party on January 22, and of course our Bal Masque XL on January 23.

Rest assured that we will continue to monitor the situation and keep our members informed of the plan ahead in the event that we need to reschedule any of these events. I look forward to seeing each of you in the coming months **IN PERSON!!**

Please be safe and help your friends, family, coworkers and your Krewe Brothers flatten this curve so that we can get back to those fun times we all miss!

Yours Always,

Tyson O'Brien
